

The Studio Prints Kintsugi range draws inspiration from the Japanese art of repairing broken crockery, celebrating an objects' unique imperfections.

Kintsugi features a subtle, reactive texture that is decorated underglaze, creating a protective layer for added durability and strength. New in Kintsugi for 2022 is Pearl Grey, a fresh new colourway perfect for complementing an existing neutral setting.

The Kintsugi range is covered by Churchill's 5 year Edge Chip Warranty.
